

Replace, Apply and Reset

This silly replacement keeps on rambling for ever and ever until it is long enough to wrap.

This paragraph stays where it is on every step: a tag whose content changes reserves the room of its largest state.

Replace, Apply and Reset

A short line.

This paragraph stays where it is on every step: a tag whose content changes reserves the room of its largest state.

Reflow Inside a Region

A short line that will soon get longer.

This paragraph moves when the two above it change.

This paragraph is outside the region, and never moves.

Reflow Inside a Region

A line loong enough to take a second line of its own.

This paragraph moves when the two above it change.

This paragraph is outside the region, and never moves.

Space That Is Reserved

This sentence contains a word and reserves space for it.

Space That Is Reserved

This sentence contains a hidden word and reserves space for it.
